

TITLE : STENCIL CREATIONS

THEME: Plastic arts with stencils

COORDINATORS: María Valdés Aguirre maria.valdes@eiris.edu.es Antía Juane Sánchez

PARTICIPANTS: Groups with a maximum of 4 students per group. As many groups can participate per delegation as desired.

SKILLS: Plastic arts.

OBJECTIVES:

To promote the creativity and imagination of the participants in the creation of two compositions with stencils (templates). To improve their skills in this artistic technique.

FORMAT:

- Each participating group will bring from their respective schools two pre-cut acetate templates with the image they have freely chosen. A pre-cut image on each template. The templates will be A4 size.
- The groups will have the possibility of expanding their selection of icons at our school by creating more templates if they consider it to be necessary.
- Students, organized in their corresponding groups, will create two compositions in real time at the event:
 - 1) Acrylic on 2D card. Paint will be applied using a roller (not textured).
 - 2) 3D Card: “Agamograph.” This will be created with two enlarged photocopies of the images from the previous exercise

For more information, please search for “stencil images” and “agamographs”.

EVALUATION:

A jury formed by several teachers will decide which piece best complies with the objectives of the contest.
