TITLE: ESCAPE ROOM

THEME: General cultural knowledge

COORDINATOR : José López jose.lopez@eiris.edu.es

PARTICIPANTS: A team of 4 students from each school.

SKILLS: General knowledge.

OBJECTIVES:

To be able to manage all kinds of thinking skills to solve scientific and mathematical challenges. To work well as a team allowing for a good distribution of tasks in order to overcome the challenges in the shortest possible time.

FORMAT:

The activity implies a succession of challenges that the different teams must overcome until reaching the final objective. The space for carrying out the different tests will be virtual through a web link. The different tests can combine virtual and/or physical skills.

EVALUATION:

The winner will be the team that manages to overcome all the challenges in the shortest possible time. A jury composed of teachers from different schools will be appointed to supervise compliance with the regulations.
