TITLE: INTERSEK GYMKHANA

THEME: Discovering La Coruña

COORDINATORS:

Lucía Vázquez lucia.vazquez@eiris.edu.es , José Manuel Pardo

OBJECTIVES:

To help the students to discover the historical city centre of La Coruña and part of its history by exploring the area with the help of ICT resources. They will interact with local people using different tests and above all, they will enjoy a different experience with SEK students from other countries.

FORMAT:

Students will be distributed into groups according to their school and will be accompanied at all times by their respective teachers. Students from the Eiris International School will be available to help and support the different delegations as the contest takes place. They will tour the historic city centre of La Coruña using maps to solve challenges, they will decipher riddles, carry out communication and oral expression tests in different languages and use a tablet or smartphone cooperatively, the use of which will be supervised by the accompanying teachers.

In each group, the students will take turns in having different functions throughout the contest and all the tests will be in English and Spanish.

Each group will be given a backpack with the instructions for each test, a city map, a notebook, a pen, etc.

EVALUATION:

The team that resolves the most challenges in the shortest time possible will be the winner.
