THEME: International puzzle, painting of the Tower of Hercules.

COORDINATOR: José Espiñeira Sánchez jose.espineira@eiris.edu.es

PARTICIPANTS: All members of the delegation with the help of their schoolmates.

SKILLS: Art

OBJECTIVES:

To create a Tower of Hercules, approximately 3 metres tall, with the help of all delegations. This creation will be exhibited at the Eiris International School as a symbol of the Cultural InterSEK 2020.

FORMAT:

1. An image of the Tower of Hercules will be divided into equally sized square parts.
2. Each delegation will be responsible for representing a given part of the tower, and they will do that part exclusively.
3. Each group will have to represent their allocated part on a 30 cm x 30 cm x 5 mm square of plywood.
4. The creation is freestyle (type of paint, perspective, material, style, etc.) so each delegation can carry out their work as they want, provided that it conforms to points 2 and 3.

CONCLUSION:

The resulting work of art is a tower made up of the parts created by all the schools. The squares will be put together to create a single work of art made up of all the parts.

EVALUATION:

Not competitive.
